

Website Project Rubric

Instructions:

1. Click File > Make a copy or Download to edit this file.
1. Check the correct box to give yourself points out of 5 for each criteria.
2. Multiply those points by the criteria's weight.
3. Add up all the grade numbers to get your total grades for the project.
4. Answer the reflection questions.

Completing a criteria successfully gets you 4 points. Scoring 4 for every criteria would result in a grade of 80% (A-). To earn anything above 85% (A) then the work has to exceed expectations.

Incomplete / Insufficient / Developing	SUCCEEDING Work meets all the expectations with some degree of refinement	EXCEEDING
